

Greater Baltimore Hindu Jain Temple **A message and appeal**

Dear Devotees & Patrons,

Namaskaram & Best Wishes for your health.

Hope all your families are doing well. Our prayers for quick recovery of one and all that have the illness. We also pray for the soul of the departed citizens of all nations. Pandemic has produced unprecedented changes and challenges in our daily lives. We are all busy listening to health agencies, other State & Central Authorities. Like all other Temples, Churches & Synagogues, GBT will remain closed until further notice.

Online Pooja Services

Even though Temple is closed for the public, be rest assured that our priests are performing daily Poojas as per the Hindu-Jain Scriptures. Timeline for reopening the Temple is uncertain at best. With that in mind, we are diligently working on establishing **Online Pooja & Aarthi Services**. Implementation of such services is likely to take 7-10 days. Details will be communicated via email, Facebook & Temple website.

Appeal for Support

As we all know, the expense to run the Temple remains unchanged. Payroll, building maintenance, getting ourselves ready for Spring continues. Our sincere appeal is to **support your Temple with your generous donations** during this difficult time.

Thank You for your consideration and Stay Healthy. Please help prevent the further spread of Covid-19 by following the current recommendations.
