ROOF & HVAC REPLACEMENT

The Temple building has withstood the test of 28 years, and now is the time to do the required major repairs, such as replacing the roof, HVAC system, and paving. The roof and HVAC project is scheduled for the fall of 2025, and paving during spring 2026, with an estimated cost of **\$500,000**. In order to ensure that the building is preserved for future generations, the Temple encourages devotees to donate generously to help complete these projects.
