- **Pitru tarpanam vidhi (hiranya shraddham)..... \$ 101**
- **Sapinda shraddha vidhi..... \$ 201**

There is a great deal of similarity between the vibrations of the pitars and their closest descendants. When a particular subtle-body experiences pain, his nearest descendants also experience those troublesome vibrations. It is for this reason that the descendant has to perform rites such as annual shraddh vidhi and shraddh performed in Pitrupaksha for the sake of pitars. The vibrations of the descendant and the vibrations of the pitars are similar and hence, pitar find it easy to imbibe the tarpan offered by the descendant during the Shraddh vidhi.

Note: The rates are for Vidhi performed at temple.
